**MONTHLY REPORTS FOR DECEMBER 2015  
Washington, D.C.**

The following from the Executive Director of the Korean War Veterans Association is given for the month of December 2015.

To: President and Board of Directors for the Korean War Veterans Association (KWVA)

Another year has come to a close. It was a very productive year for the Korean War Veterans Association. Much was accomplished to further the cause to keep the legacy of the Korean War and those who served in this war alive for future generations to learn from.

Recruitment or new members continues to be the priority as we head into the new year of 2016. **ALL** members must make a determined effort to recruit additional members to our organization.

2016 plans to be a very busy year. The KWVA continues to gain recognition as a major Veteran Service Organization in the United States. We must continue as one voice to keep our mission and cause in the alive.

Let's make 2016 a banner year for the Korean War Veterans Association of the United States of America.

1. **AMBASSADOR FOR PEACE MEDAL:** The Ambassador for Peace Medal continues to gain visibility. I receive weekly calls from Korean War veterans from all over the United States requesting information on how they can obtain the medal. About half of these individuals are not members of the KWVA. This is a good opportunity to try and get them to sign up. If they do, I state I will help them with the processing of their application. Some of these veterans have taken advantage of my offer.

I recently received 25 applications from the Korean War Veterans Association Chapter 112, Lake Erie. They have been submitted to the Embassy of Korea for processing.

Many other unit and state veterans' organizations have seen the guidance that we have published in the Greybeards and have taken it upon them to conduct their own ceremonies to present this medal to Korean War Veterans who belong to their organization or live within their state.

2. **LEGISLATIVE:** I had a very productive month working with both Mr. David Eiselsberg and Mr. Jett Thompson whom both work in Representative Sam Johnson's office in Washington, D.C. After much discussion, research and looking at different avenues to amend the IRS 90% ruling pertaining to specifically Veteran Service Organizations with "War" in their title, it was agreed upon by Mr. Eiselsberg and Mr. Thompson that Representative Sam Johnson will re-introduce the previous legislation that was submitted in 1986.

The previous legislation was titled: ***H.R.5903 - To amend the Internal Revenue Code of 1986 to treat recipients of the Korea Defense Service Medal as war veterans for purposes of determining whether contributions to posts and organizations of war veterans are charitable contributions.***

You can view the old legislation at the following site: <http://hdl.loc.gov/loc.uscongress/legislation.112hr5903>

Both Mr. Jett and Mr. Eiselsberg will draft a new House Resolution once they return from the holiday break. The KWVA will be active in the formulation of this new House Resolution.

It is **VERY IMPORTANT** that when the new House Resolution is ready to be introduced, **ALL KOREAN WAR VETERANS, DEFENSE VETERANS AND FAMILIES** will need to flood their Congressman's office with requests to support this new House Resolution (HR). If we do not have the support and backing of this House Resolution, it will inevitably not pass. We will keep you informed once the new HR is published.

7. **FUND RAISING:** No report
8. **EMBASSY NEWS:** My monthly meeting with staff of the Republic of Korea Embassy was conducted on December 14, 2015. This was LTC JS Hong, Assistant Defense Attaché, Republic of Korea last meeting with me. He has now been reassigned to Marine Headquarters in Seoul Korea. He will be missed. His replacement arrived in the United States the same week. His name is LTC Kangwook Lee. We will have our initial meeting on Tuesday, January 5, 2016.

On December 18, 2015 Mr. Jang, Jeong Gyo, who works for the Ministry of Patriot and Veterans Affairs and is now in the United States as a visiting Researcher at Georgetown University, LTC (Ret) Byung Paul) Lee, President of the Korean American Veterans Association of Washington and myself met with President Jim Roberts, Executive Director Tim Holbert and Project Director Wes Smith from the American Veterans Center at their offices located in Arlington, Virginia. The American Veterans Center is responsible for the National Memorial Day Parade which will take place in Washington, D.C. on Monday, May 30, 2016.

The Korean War Veterans Association and the Korean American community are very enthusiastic pertaining to their participation in the parade. The only clog in the wheel at this time is the cost to participate. It will cost approximately \$30,000.00 for two floats in the parade: one for the KWVA and one for the Republic of Korea.

I am presently seeking sponsors to cover the cost of the floats. I have two organizations that are looking into sponsorships. If they fail I will seek out the local offices of Korean Corporations who may wish to be a sponsor.

All Korean War Veterans, Korean Defense Veterans and Korean American War Veterans are allowed to participate in the parade. Anyone with vintage Korean War vehicles are also welcomed to participate.

The parade will be nationally televised on a cable station and for the Armed Forces Network around the world.

Additional areas covered in our monthly meeting were:

This year's ceremony will pay tribute to the Korean Augmentation Forces (KATUSA's) who fought with the United States during the Korean War and continue to work side by side with American Forces in the Republic of Korea. KATUSA's from both the United States and the Republic of Korea will be in attendance for this special event.

- Armistice Day – Wednesday, July 27, 2016 at 10:00AM. A wreath presentation and a special speaker will be commemorating the Armistice of the Korean War with a ceremony at the Korean War Veterans Memorial on Wednesday, July 27, 2016. 9. **THE KOREAN CULTURAL CENTER – WASHINGTON, D.C.**

Ambassador Ahn, Ho-Young has invited the Korea War Veterans Association to be a part of the Advisory Board for the Korean Cultural Center in Washington, D.C.

Opened in October 2010, the Korean Cultural Center Washington DC continues to introduce the gradual development and future images of Korea. In response to rapid changes within the international arena, we have tried to build a strong partnership with Americans by sharing Korean culture, such as Korean traditional arts, language, food, music and Taekwondo.

The Korean Cultural Center Washington D.C. is located in the capital of the U.S. and is a hub of communication between Koreans and Americans. As a worldwide cultural center, it emphasizes activities and events that contribute to understanding of Korea and Korean culture at a deeper level.

In response to the increasing demand for greater public awareness of Korean culture, as well as the rise of 'Hallyu', the Korean Cultural Center Washington D.C. offers diverse programs that give people an opportunity to first-handedly experience Korea and Korean culture.

He requested that I sit on the Board to represent the KWVA. If there is interest from a member of the KWVA to participate on this Board, please let me know.

10. **CONCERT IN NEW YORK CITY**

- I received an email and a telephone call from Mr. Sean Cho. He informed me that **Dr. Billy Kim** (no relationship to Representative Kim) will be conducting a concert at 7:30PM, Carnegie Hall in New York City on Friday, June 24, 2016.
- The organization they represent is Far East Broadcasting Company-Korea "Christ to the World by Radio". They were founded by American Missionaries just prior to the war breaking out. They hold American Korean War veterans in high esteem. This group is legit. I have researched them and they are above board. They have conducted numerous concerts in the past in the United States honoring our Korean War Veterans.
- They have invited all Korean War Veterans and their families to attend a free concert in their honor at Carnegie Hall in New York City.
- After speaking with President Kinard, we have asked Mr. Sal Scarlato to be the point person for this event. I consider him our liaison with New York City. Sal will take the lead in getting Korean War Veterans and their wives to attend the concert.

- We have 26 Departments & States that have recruited new members the past 90 days. We also have 24 States with no new members reported the past 90 days. Way to go Bob!!!!**
- I have stated before that 80-90% of our present members are the age 80-90 years old. It is a known fact that deceased comrades will continue to increase. Only the good Lord has control of this but we have control of Recruiting new members, which is a must.
- Bob Fitts informed me that he has mailed the new brochures to all Chapter and Department Commanders. It is imperative that we use these due to the fact they are more user friendly for Korean Defense Veterans and War Veterans.

- It would be helpful if the Directors, Department Commanders & Chapter Commanders check our web site frequently to see if their area of responsibility needs assistance.
