#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Korean War Veterans Association, Inc.

#### Opinion

We have audited the accompanying financial statements of the Korean War Veterans Association, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Korean War Veterans Association, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Korean War Veterans Association, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Korean War Veterans Association, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### **SOUTH COUNTY**

7321 South Lindbergh Blvd • Suite 310 St. Louis, MO 63125 Phone: (314) 433-9707 • Fax: (888) 675-4426

#### **EDWARDSVILLE**

#1 Sunset Hills Professional Center • Suite D Edwardsville, IL 62025 Phone: (618) 307-0315 • Fax: (888) 675-4426

#### **ALTON**

2852 Homer Adams Parkway Alton, IL 62002 Phone: (618) 462-1162 • Fax: (618) 462-1168

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Korean War Veterans Association, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Korean War Veterans Association, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### NOTE 1. NATURE OF OPERATIONS

The Korean War Veterans Association, Inc. (Association) is a perpetual non-profit corporation issued a Certificate of Incorporation by the State of New York. The purpose of the Association is to organize, promote, and maintain for benevolent and charitable purposes an Association of persons who have seen honorable service within Korea any time beginning September 3, 1945 to present or outside Korea beginning June 25, 1950 to January 31, 1955, and certain other veterans and persons, with the qualifications for membership per the Bylaws. The Association is organized to grant charters to groups at large, provide a means of contact and communication among the members of the Association, and to establish and maintain a national headquarters. The Association promotes the establishment of war and other memorials commemorative of any persons who served in the Korean War and aids needy Association members and their families. The Association is also organized to recognize the achievements of those who served in the armed services of the Unites States and the United Nations Command during the Korean War era. Through its "Tell America Program", the association conducts programs at the local schools to help today's students understand the true meaning of the freedoms that we all enjoy in this country.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Association uses the direct method of reporting net cash flows from operating activities, and considers all cash and checking accounts not held within a brokerage account to be cash equivalents.

#### **Investments**

Investments in marketable securities with readily determinable fair values and investments in debt securities are valued at their fair values in the statements of financial position. Unrealized gains and losses are included in the change of net assets. There are no known material unrecorded permanent market value declines in marketable securities.

#### Property and Equipment

Property and equipment are carried at cost at the date of acquisition if purchased or, if donated, at the approximate fair value at the date of donation. The Association capitalizes acquisitions of property and

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Property and Equipment (Continued)

equipment in excess of \$500. Lesser amounts are expensed. Depreciation and amortization is computed using the straight-line method over the estimated economic useful lives of the assets (5-7 years).

When property and equipment are retired or otherwise disposed of, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is recorded in the statement of activities.

#### **Financial Statement Presentation**

Financial statement presentation follows the recommendation of FASB Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958)* – *Presentation of Financial Statements of Not-for-Profit Entities*. ASU 2016-14 includes the standards for the presentation and accompanying disclosures of the financial statements of not-for-profit entities.

During 2019, the Association adopted the provisions of FASB Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The implementation of ASU 2014-09 results in additional disclosures made by the Association regarding its revenues but does not affect the financial position, changes in net assets or changes in cash flows reflected in the accompanying financial statements, nor does it impact the overall presentation of the financial statements taken as a whole.

#### Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor restrictions.

#### Net Assets With Donor Restrictions

Net assets whose use by the Association has been limited by donors to a specific time period or purpose. As of December 31, 2020 and 2019, there were no net assets with donor restrictions.

#### Accrued Compensated Absences

The Association has no full-time employees that are eligible for compensated absences. Accordingly, no accrual was recorded at December 31, 2020 and 2019.

#### **Donated Services**

Many volunteers donate significant amounts of their time on an ongoing basis to perform the Association's duties. No amounts have been included in the accompanying statements of activities to value these donated services, as no objective basis is available to measure the value of such services and their inclusion in the financial statements would not provide meaningful information regarding the Association's activities.

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Revenue and Expense Recognition

Membership dues are assessed on a yearly basis based on the member's anniversary date. The payment of membership dues by a member to the Association is a nonreciprocal transaction – the primary purpose of the dues is to maintain the legacy of the Association, not to receive material goods or services in exchange for the dues, as there are no goods or services listed in the Association's mission statement. Membership dues and fundraising income are recorded as revenues when payment is received; no performance obligations are incurred in exchange for membership dues or fundraising income.

Donations without and with restrictions, including unconditional promises to give, are recorded as revenues when received. All donations are available for unrestricted use unless specifically restricted by the donor. All other donor-restricted donations are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give, due in the next year, are recorded at their net realizable value.

Revenues of the *Graybeards* magazine are from nonmember subscriptions and advertising. Members automatically receive a magazine subscription, but none of the membership dues are allocated to magazine revenues for financial statement purposes as the magazine is available to the public on the Association's website. Advertising income, convention registration income and miscellaneous income are recorded as revenues as each performance obligation in the applicable contracts are satisfied in a timely manner. As of December 31, 2020 and 2019, there were no unsatisfied performance obligations in any revenue contracts included in the accompanying financial statements since all revenue contracts are completed within the same annual reporting period in which they began.

All expenses are recognized when an obligation is incurred. Donations made by the Association are recorded as expenses when paid.

#### **Functional Expenses**

The costs of the Association's programs and supporting services have been reported on a functional basis. Allocations of certain costs have been made between the various programs and supporting services based on estimates made by management.

#### Income Tax Status

The Association is exempt from income taxes under section 501(c)(19) of the Internal Revenue Code per a determination letter dated September 15, 1986. The Association has unrelated business income from the *Graybeards* magazine operations that would be subject to income taxes. However, the magazine incurred a loss for the years ending December 31, 2020 and 2019.

The major taxing jurisdictions applicable to the Association's business affairs, for which tax returns have been filed, remain open and available for audit. Tax examinations are often complex, as tax authorities may disagree with the treatment of items reported by the Association, and such disagreements can take years to resolve. The Association establishes liabilities for possible assessments by taxing authorities for known tax exposures to the extent that a reasonable tax provision can be estimated. The normal statutory period impacting unaudited years is as follows: Federal (US) 2017 - 2020.

#### NOTE 3. LIQUIDITY AND AVAILABILITY OF RESOURCES

The Association had \$945,438 and \$915,147 of financial assets, consisting of \$108,601 and \$54,473 of cash and cash equivalents and \$836,837 and \$860,674 of investments, available as of December 31, 2020 and December 31, 2019, respectively, to meet cash needs within one year for general expenditures, which average far less annually than this total. None of these financial assets are subject to donor restrictions. As part of its liquidity management, the Association invests excess cash and structures its financial assets to be available as general expenditures, liabilities, and other obligations become due.

#### NOTE 4. <u>INVESTMENTS AND PORTFOLIO INCOME</u>

The fair market value of investments held by the Association at December 31, 2020 and 2019 include:

Description	<u>2020</u>	2019
Cash and Money Market	\$ 15,274	\$ 9,321
Mutual Funds	590,843	595,828
Exchange Traded & Closed End Funds	230,720	255,525
Total Investments	\$ 836,837	\$ 860,674

Total portfolio income for the years ended December 31, 2020 and 2019 consists of the following:

	<u>2020</u>	<u>2019</u>
Dividends Realized and Unrealized Gains	\$ 32,086 29,566	\$ 32,580 <u>93,717</u>
	\$ 61,652	<u>\$ 126,297</u>

Investment expenses incurred to produce the portfolio income totaled \$5,489 and \$5,398 for the years ended December 31, 2020 and December 31, 2019, respectively.

#### NOTE 5. FAIR VALUES OF FINANCIAL INSTRUMENTS

The Association has established a three-level valuation of hierarchy for disclosures of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels are defined as:

- Level 1 Quoted market prices in active markets for identical assets or liabilities
- Level 2 Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 Unobservable inputs

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: valued at the net asset value of shares held by the plan at year end.

Fixed income and equity securities: valued at the closing price reported in the New York Stock Exchange. Cash and money market fund: valued at the net asset value of shares held by the plan at year end.

#### NOTE 5. FAIR VALUES OF FINANCIAL INSTRUMENTS (CONTINUED)

Financial instruments at fair values as of December 31, 2020 include:

		Level 1	Level 2	Level 3	<b>Total</b>
Cash and Money Market	\$	15,274			\$ 15,274
Mutual Funds		590,843			590,843
Exchange Traded & Closed End Fu	nds	230,720			230,720
Total Assets at Fair Value	\$	836,837			\$ 836,837

Financial instruments at fair values as of December 31, 2019 include:

		Level 1	Level 2	Level 3		<b>Total</b>
Cash and Money Market	\$	9,321			\$	9,321
Mutual Funds		595,828			5	595,828
Exchange Traded & Closed End Fu	nds	<u>255,525</u>			2	255,525
Total Assets at Fair Value	\$	860,674			\$ 8	360,674

#### NOTE 6. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31, 2020 and 2019:

	<u>2020</u>	2019
Property and Equipment Less: Accumulated Depreciation and Amortization	\$ 5,298 (5,298)	\$ 5,298 _(5,298)
Total	\$ 0	\$ 0

Depreciation charged to expense in 2020 and 2019 was \$0 and \$0, respectively.

#### NOTE 7. CONCENTRATIONS OF CREDIT RISK AND UNCERTAINTIES

The Association maintains cash funds in a financial institution. The account balance is insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2020 and 2019 there were no uninsured balances.

Financial instruments that potentially subject the Association to credit risk consist primarily of investments in money market, bonds, and mutual funds. Future changes in economic conditions may decrease the value of these investments.

#### NOTE 8. MEMBERSHIP DUES REVENUE

Veterans who served in Korea during the Korean War have continued to decline in number and the average age of those members is eighty-five plus years. Membership dues revenue for the Association has declined for at least the past nine years. The future success of the Association is dependent upon recruitment of members that have served since the Korean Armistice Agreement signed on July 27, 1953. The Armistice Agreement was designed to "insure a complete cessation of hostilities and of all acts of armed force in Korea until a final peaceful settlement is achieved." No "final peaceful settlement" has yet been achieved.

#### NOTE 9. SCHOLARSHIP PROGRAM

During 2020 and 2019, the Association continued an agreement with a South Korean organization, American Veterans of Korea Foundation (AVKF), to select direct descendants of Korean War Veterans to receive college scholarships. The students must be at least high school seniors planning to attend a college or university who demonstrate an affinity towards the Korean War Veterans, and a desire to learn and understand the legacy of the Korean War Veteran. AVKF funds the scholarships and the Association awarded ten scholarships in the amount of \$2,000 each during both 2020 and 2019.

#### NOTE 10. COVID-19 EFFECT

In January 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus ("COVID-19") and the risks to the international community as the virus spreads globally beyond its origin point. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in global transmission of the virus.

The full impact of COVID-19 continues to evolve as of February 25, 2021, the date the financial statements were available to be issued. The full magnitude that the pandemic will ultimately have on the Association's financial condition, liquidity, and results of operations cannot be determined with any certainty, and no adjustments have been made in the accompanying financial statements. The Association believes that the stability and singular focus of its membership base will allow it to minimize any future negative effects caused by COVID-19. The Association will also continue to fulfill its stated mission to the extent possible during the course of the pandemic and will resume any restricted, delayed or postponed events or operations as soon as practical in the circumstances.

#### NOTE 11. SUBSEQUENT EVENTS

The Association has evaluated subsequent events occurring between December 31, 2020 and February 25, 2021, the date the financial statements were available to be issued. All subsequent events requiring disclosure and recognition as of February 25, 2021 have been incorporated into these financial statements.
