SIX PRIZE WINNERS

KWVA COINS - $5.50 + S/H

1ST PRIZE / 2ND PRIZE / 3RD PRIZE / 4TH PRIZE / 5TH PRIZE / 6TH PRIZE

$1500 / $1000 / $1000 / $1000 / $500 / $500

WE NEED YOUR FINANCIAL SUPPORT - IF YOU HAVE NO USE FOR THE CASH PRIZE, PUT CHAPTER NUMBER AND YOUR MEMBER NUMBER. CHAPTER MIGHT WIN. ALL DONATIONS ARE APPRECIATED. ZERO ADMINISTRATION COSTS.

As we enter our fund raiser, the goal is $70,000. With every members support, it is a reasonable goal. Our expenses have been reduced, unfortunately, as are losing members due to health reasons, we definitely need your help. Now even more so. The odds of winning are much more in your favor than state lotteries. Every dollar goes to support our great Graybeards Magazine and support continuous operating costs.

Many members have had free dues or have not had to pay for 15 – 20 years. The $150 Life dues paid has long been used up just sending the Graybeards. Please consider making a donation by supporting the Fundraiser. If you do not take chances, please make a donation. Please mark the donation “Fundraiser”, so it can be listed properly.

Please consider purchasing additional tickets if you can, to help us reach the goal of $70,000. It cannot happen without membership support. If you do not want the prize give it to your chapter or Department by the chapter name or number, but your member number. I want to again THANK all the members that have participated in the past. It is greatly appreciated.

If you go to KWVA.us you will find many new items available. Shirts, Pins, Patches, Reduced prices on all Challenge Coins, Caps and more. Rose of Sharon bulk sales to help chapters raise money for their chapters. This is our organization. Please help keep it strong.

Always Remember: "FREEDOM IS NOT FREE"

February 1, 2019

Dear fellow veterans;

I hope this letter finds you in good health and that, so far, the year 2019 has been good to you.

My writing you is to bring to your attention a matter of great importance to the success of your organization; that being our Annual KWVA Fundraiser. Through dedication and hard work by Tom McHugh and his committee, revenues raised by this method have exceeded $70,000 thus, enabling the Board to fund activities not otherwise provided for in our budget.

Benefitting most from these added revenues is the publication of your outstanding magazine, Graybeards, considered to be among the best veteran services organization magazines today. We enjoy, perhaps, the highest ratio of reader content to advertising than any other publication of its kind. It is hoped that we may continue to bring you this excellent magazine where you can read news of other chapters, articles of interest regarding the war and its aftermath, and even to submit articles of your own for publication.

To help offset our declining enrollment, your Membership Committee has taken steps to recruit new members, especially Korea Defense members, through both Facebook and our own KWVA website. Early results show much promise. In addition, your Board has initiated some cost cutting measures. With your support, measures are in place to reduce the number of Directors from 12 to 9, and two positions were left unfilled. Also, under the guidance of Treasurer, Joe Harman, the 2020 budget will have a deficit reduced by one-half of that of 2019. The goal is to present a balanced budget for year 2021.

In his statement, Chairman Tom, sets forth several good reasons why you should purchase raffle tickets or, just donate, to this worthy cause. On behalf of your Board and Tom’s committee, I urge your participation in the 2019 Annual Fund-raising Raffle.

With best regards and fraternally yours,

KOREA DEFENSE VETERANS MEMORIALS

I would like to be assured that every KWVA Member is aware of our effort to have a Korea Defense Memorial dedicated in every State in Honor of the over 1200 Military Personal that have died in Korea SINCE THE CEASE FIRE was signed. Many died under hostile conditions. They had never been recognized nor Honored. The public is unaware of the loss of life. Our goal is to get a Memorial in state ASAP. This will only happen with your involvement. Several states said they will work on a Memorial. Now is the time for action.

On Veterans Day 2017 it was my pleasure to Dedicate a Memorial at the NJ State Korean War Memorial in Atlantic City NJ, near Brighton Park, on the Boardwalk. This was the second National Memorial; the first Memorial was dedicated in Massachusetts in 2016 by KWVA 1st Vice President Jeff Brodeur. We have started things off and now it is your turn. Our future is with Defense Veterans. This shows we recognize their service.

As Chairman of the newly authorized “Korea Defense Memorial Committee”, I am available to assist everyone that has interest in working to place a Memorial. The individual that designed the Memorial is capable of mounting the Bronze Plaque on the front & the Bronze replica of the Korea Defense Medal on the back, engrave your Information, drill the holes for the bars that will hold the memorial on a concrete base, include a template for the holes & ship the completed Granite Memorial to your location. Cost will vary as the shipping distances vary. The basic cost will be in the vicinity of $6,000. Additional costs will be the installing the concrete base & the Ceremony.

I raised over $7,000. In 3 ½ months in NJ from all Veterans organizations and the 10 NJ KWVA Chapters. Later It was recommended that a “GO FUND ME” fund should be started. It is a good idea, since huge amounts have been raised very quickly.

I am available to assist in arranging the contact & purchase of a Memorial that needs 2 feet square space that is visible front and back for the Memorial. A concrete base 2 ft square & 18 to 24 inches high is recommended to allow the Bronze Plaque front and Bronze Defense Medal Back to be more easily read.

I look forward to hearing from you all. My info is in the Graybeards inside the front cover
