## Background

The Korea Revisit program was begun by the Ministry of Patriots and Veterans Affairs (MPVA/Seoul) in 1975 for the 25th anniversary of the outbreak of the Korean War to express the Republic of Korea (ROK's) government's gratitude to Korean War veterans and their families also to show them the bountiful results of their sacrifices and devotion.

### MPVA's Eligibility Requirements

Korean War Veterans who served in or supported ground, naval, or air operations in the Korean Theater between June 25, 1950 and October 15, 1954. Family members of deceased or disabled Veterans are eligible to participate in the "Korea Revisit Program." An eligible applicant is allowed to bring a family member or friend as a "travel companion."

### Expanded Eligibility

For the 60th anniversaries (2010-13) there will be more quotas available. In addition, those who have been on a Revisit prior to 2006 can apply to return again (Call MHT for more details). Widows and family members of deceased veterans or those unable to travel are also eligible for the Revisit as Veteran Representatives.

### Benefits & Schedule

Free hotel accommodations for the veteran their companion or veteran representatives, meals for 5 nights and 6 days in Seoul for 2 people. If you want to bring more people you may at your expense.

Accommodations are based on (2) persons per room, if you want your own hotel room you may at your own expense. All of the above items need to be requested in writing.

Tours of Seoul and its vicinity, banquet hosted by the MPVA and KVA with presentation of the "Ambassador for Peace" medal, tours of the DMZ, Pan-Mun-Jom, War Memorial Museum, National Cemetery.

### Sundry Notes

1. The MPVA Revisit Program privileges are provided for scheduled groups only.
2. Participants are required to have a valid passport that does not expire until 6 months after return to the USA.
3. Neither MPVA Seoul nor MHT Virginia U.S.A is responsible for any loss of or damage to personal or other items; medical expenses, injuries or loss of life due to any accident of whatever nature during the Revisit tours.
4. Hospitalization, Evacuation and Trip Cancellation Insurance is required by MPVA for all veterans, companions or veteran representatives. Insurance costs are included in the admin service charge for Korea only.
5. Transportation costs to and from Korea will be borne by each person who participates in the program. The Korean government is now subsidizing airfare for persons traveling with the group administered by MHT.
6. Applications will be received/accepted on a "First-come, first-served" basis.
7. Use of frequent flyer miles or other "free" transportation is allowed, but the administrative service fee of \$450.00 per person is still required for the insurance and administration.

## Looking For Korean War Nurses

I'm researching Korean War military nurses. My primary goal is to locate as many Korea War military nurse veterans as possible to request an interview. My goal is to write a book on the many contributions of the Korean War military nurses and to make the world aware of your accomplishments.

My interview can be in person, by telephone, via Skype on a computer, or in written form via regular mail or email; the type of interview is decided upon by the nurse veteran. I'm flexible about interviewing the nurse veterans in person. If a family member (or members) would like to be present for the interview, I'm willing to accommodate the veteran's and/or family's wishes.

If the nurse veteran would prefer the in person, telephone or Skype interview be conducted over several sessions, then the interview will be scheduled according to her preference.

My interview focuses on the nurse veteran's nursing education, her experiences while serving as a military nurse during the Korean War, and her nursing employment (if any) after the Korean War. If the nurse veteran would like to see a copy of my interview questions before the interview, I'd be happy to provide a copy ahead of time. I'm willing to meet the nurse veteran's request(s) in order to have the honor of interviewing these women.

My research indicates that there is a good chance that some of you may already have an interview on file with the Veterans History Project, the Women In Military Service to America (WIMSA) Memorial Foundation, or another location. At a later date I will access all the previously documented interviews and collections, but my current focus is on the nurse veterans still with us.

The Korean War military nurses rose to the occasion and performed competently and admirably in often challenging situations; this is the perspective I wish to focus on in my book.
