

# Update On The KWVA Directory

We have been asked for more complete information about the KWVA Directory being produced by Harris Connect LLC. Hopefully, the information below will clear up some of the misconceptions, misunderstandings, etc. re the directory.

## Important Information About The New Korean War Veterans Association Membership Directory

By now, I'm sure you've heard that we've partnered with Harris Connect, LLC to commemorate our members' years of service to their country and to the fight for freedom for South Korea in a new edition membership directory. Harris Connect LLC is a legitimate company and has been publishing alumni and membership directories for more than 50 years.

As members of the KWVA and Korea Service Veterans, you have a unique opportunity to showcase your military career through your listing information (years of service, military rank, conflicts served, medals earned and more). Plus, you can include a personal photo and share a memory via a short paragraph. The representatives at Harris Connect are ready to assist you in updating your information as well as submitting your memory and photo.

## There's Still Time To Be Included!

Call 1-800-488-9219 today to verify your information.

Having your story and photo published in this special memorabilia will be something you and your family can cherish for years to come and look back on with pride. If you choose to purchase a directory, there are payment options available. You can pay by credit card or check by phone. If you pay with a check over the phone, you will be asked for your banking information.

## About The Directory

We offer a Hardbound, Collector's edition of the album and we also have a Softbound edition. Members may also purchase a CD-ROM version, or a combination of the CD and either the hardbound or softbound editions.

We are also offering a frame-ready 11x14 Tribute print with the American Flag background and customized with the member's name, rank, branch and years of service, conflicts served in, and awards. Lapsed members have an opportunity to renew their yearly membership for an additional \$10 fee above the product editions.

## Association Membership Database (MDB) User Manual Operational On DoF Website

An interactive User Manual giving precise detailed instructions on how Chapter and Department officials can better use the KWVA Association Membership DB (a.k.a. Master Database) is now operational by clicking on the bottom brown button on the left menu at the DoF website, [www.dfl.kwva.org](http://www.dfl.kwva.org).

The site has five web pages, one for each chapter, and includes sections or chapters on the following: Cover, Introduction, Chapter Access to MDB, Department Access to MDB, Excel & CSV Output, and Copy & Paste Output. One additional page encompassing System Needs to make it more usable is planned. When completed it will be added to the site.

The site itself is open to everyone, but the Database requires a User Name and Password to access (a section on how to obtain a User Name and Password is covered in the page entitled Chapter Access).

All Chapter and Department officials are encouraged to use the Manual. Feedback at the above email is encouraged.
